St. Louis, MO—

Granger Contracting Company, Inc. and N-STORE Services, LLC offer the all in one solution to retail interior contracting. While Granger Contracting has been a long-standing pillar of the retail contracting community, the opportunity to service other aspects has allowed N-STORE Services to flourish as an additional resource for servicing nationwide retailers. Granger Contracting remains a leader in retail interior environment improvements such as remodels, rollouts and tenant improvement, and N-STORE Services has established a focus on fixture repair, maintenance and installation services.

Granger Contracting continues to excel in the venue of remodels, rollouts, and resets. Granger maintains high levels of communication and coordination between offices and the field to complete these time sensitive projects day or night, and any day of the week, to ensure a successful outcome for both the client and the end customer.

N-STORE Services offers annual maintenance programs dedicated to improving targeted issues such as rack maintenance and repair that work towards the goal of assuring the safety and appeal of the store. N-STORE Services is also a stand-out performer in a wide range of retail interior improvement services such as new store fixture installations and signage installation as well as rollouts and resets.
