

**N-STORE Services resets store fixtures for big box client to improve customer experience**

**Chesterfield, MO – February 22, 2010** – N-STORE Services, LLC, a national retail specialty contractor, today began a fixture reset in upper Michigan for one of their long-time big box clients. The project, a 2-month fixture reset will enhance the customer shopping experience, as well as improve overall store safety.

Michael Cato, the N-STORE Services National Account Executive responsible for managing the client relationship commented, "This project is the perfect example of the diverse service we offer our clients. The particular reset that we are performing in Michigan is atypical for both the client and N-STORE; but together, we identified a way to effectively achieve their objectives."
